**APPLICATION**

Serial No.: 09/242072

Filed: January 14, 2000

**"APPARATUS FOR LIQUID PURIFICATION"**

Pursuant to 37 CFR 1.137(b) and instructions given in a letter from Jacqueline Stone, USPTO dated 6 June 2003 I petition that the abandoned Application be reinstated as unintentional.

To the best of my knowledge the required reply has already been filed and the current form of the application is in a state of allowance.

The entire delay in filing the required reply from the date of the reply to the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.

The "small entity" fee set for this petition (\$660) is to be debited to my DEPOSIT ACCOUNT with the USPTO No. 501200
